

Memorandum

MIAMI-DADE
COUNTY

Date: September 17, 2013

Agenda Item No. 14(A)(2)

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Ratifying the Issuance of a Request for Applications for Homeless Housing and Services and Authorizing the Execution of a Memorandum of Understanding with the City of Miami

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the accompanying resolution ratifying the County Mayor's Action of issuing a Request for Applications for homeless housing and services; authorizing the County Mayor or County Mayor's designee to execute agreements with not-for-profit providers of homeless housing and services selected through the Request for Applications (RFA) process, some of which may be in excess of one million dollars if renewed; and authorizing the County Mayor or County Mayor's designee to execute a Memorandum of Understanding, in substantially the form attached hereto, with the City of Miami to receive funds from the City of Miami for the purchase of emergency beds from providers selected through the County's Request for Applications process.

Scope

The services will be provided to homeless persons Countywide through not-for-profit service providers selected through the RFA process.

Fiscal Impact/Funding Source

The total amount anticipated to be allocated for FY 2013-14 is approximately \$1,250,000.00 in Homeless/Domestic Violence One Percent Food and Beverage Tax proceeds, with annual renewal amounts subject to available funding, and \$240,297.75 in funds from the City of Miami.

Track Record/Monitor

Homeless Trust Executive Director Hilda Fernandez will be responsible for overseeing the grants to not-for-profit service providers selected through the RFA, in coordination with Terrell Thomas, Contracts Supervisor for the Homeless Trust. The selected not-for-profit service providers will be monitored through the Homeless Trust's existing monitoring processes, consisting of site visits, desk audits, the review of monthly, quarterly and annual progress reports, as well as the analysis of utilization rates. Renewals will be subject to performance review, the approval of the Trust Board, and the availability of funds, as approved by the Board of County Commissioners.

Background

The Trust identifies funding and program priorities on an annual basis to allocate to not-for-profit service providers in accordance with the priorities delineated in the Miami-Dade County Homeless Plan. This is a year-round planning process based on the analysis of trends, homeless

census data and best practice models that have proven successful in our mission to end homelessness in our community. Increased demand for services in recent months resulted in the Homeless Trust's review of existing programs and a recommendation during the July Homeless Trust Board meeting to allocate additional funds to address specific short term needs. Funding was recommended to be allocated in the following categories: 1) Approximately \$950,000.00 for short-term housing placement and case management services (emergency housing) for individuals, families, and chronic homeless; 2) Approximately \$200,000.00 to fund new "Housing First" model beds and services for the chronic homeless; and, 3) Approximately \$100,000.00 in a Challenge Grant for match funds for currently operational projects with a prior County (Homeless Trust) capital investment.

Additional funds in the amount of \$240,297.75 were identified by the City of Miami for emergency housing, and approved by the City of Miami Commission on July 25, 2013 (Resolution R-13-0299) to be allocated to the County, through the Miami-Dade County Homeless Trust, and following the execution of a Memorandum of Understanding, in substantially the form attached hereto, for distribution through this competitive process for beds to serve homeless persons within the City of Miami. These funds would be available for a total of one year and four months; no renewal funding has been identified by the City of Miami at this time.

In order to ensure the provision of these much-needed services as soon as possible following the Board's adoption of the final budget for FY 2013-14, preferably by the start of the new fiscal year (October 1, 2013), it was necessary for the Miami-Dade County Homeless Trust to initiate the RFA process; the process was duly noticed and advertised and became available on August 20, 2013. Based on the established Homeless Trust grant process, a selection committee appointed by the County Mayor will evaluate applications received in response to the RFA and will make recommendations to be acted upon by the Homeless Trust Board. The RFA includes language explaining that the execution of any contract resulting from the RFA is contingent on the Board's approval and adoption of the final FY 2013-14 budget, and the County will not enter into a contract with any not-for-profit service provider until the budget is approved. Should any changes be made to the recommended amount for this RFA, it will be taken into account prior to contracting with the selected not-for-profit service providers.
